

Updating the Parent Portal for EduText

For parents/guardians to be included in the EduText grade and attendance technology, they must have an up-to-date cell phone number in Fresno Unified's ATLAS Parent Portal. Update information by following these directions:

1. Go to www.fresnounified.org
2. Under the Parent tab, you will find the ATLAS Parent Portal, click on ATLAS Parent Portal
3. Sign in with the username and password given by your child's school site (remember when typing in your username it should be typed in username@parents.fresnou.org)
4. Once in, look to the column on the right, as pictured below. Red arrows (noted below) highlight the key areas that need to be reviewed and updated. Please pay special attention to "about text messaging charges" and the bubble noting "Yes, send me alerts" or "turn off alerts".
