# Rank Your Electives in order of Preference

Click  on  to choose a course to be ranked.

The screenshot shows a user profile page with a navigation menu on the left containing 'Summary' and 'Scheduling'. The main content area is titled 'Selected Electives' and includes a red banner that says 'Select at least 5 electives.' Below this are buttons for 'Saved Ranked Requests' and 'Reset'. Underneath is the 'Elective Options By Subject Area' section, with 'World Languages/Arts' selected. A list of elective courses is shown, each with a plus icon to its right. A red arrow points from the plus icon next to 'Art I' in this list to the 'Selected Electives' section of the adjacent screenshot.

This screenshot shows a detailed view of the 'Selected Electives' section. It features a red banner with the text 'Select at least 5 electives.' Below this is a table with two columns: 'Course Name' and 'Rank'. The table contains one entry: 'Art I' with a rank of '1'. There are buttons for 'Saved Ranked Requests' and 'Reset' below the table. Underneath is the 'Elective Options By Subject Area' section, with 'World Languages/Arts' selected. A list of elective courses is shown, each with a plus icon to its right. An 'Add Elective' button is located to the right of the list.
