CALKIDS COLLEGE SAVINGS ACCOUNT

Claim your child's free college savings account!

What you need to know ...

Created by the State of California, CalKIDS provides **up to \$1,500** in free money for eligible school-aged children to help kickstart their savings for future college and career training expenses.*

Your child may already have an account established in their name. Claiming your child's college savings account is quick and easy! Visit **CalKIDS.org** and have the information listed below handy.

What you'll need to claim your account:

- ☒ **Statewide Student Identifier (SSID)**—contact your school for assistance
- ☒ Student's **date of birth**
- ☒ The **county** where the student was enrolled on the applicable Fall Academic Census Day

Fall Academic Census Day is a day within the Academic Year on which an official count is taken. The Fall Census Day is the first Wednesday in October. Students identified in 1st – 12th grade in 2021-22 should use the county as of their school attendance on October 6, 2021. Students identified in 1st grade in subsequent years should use the county as of the applicable Fall Academic Census Day.

- It is important students show effort as it reflects the value of our school.

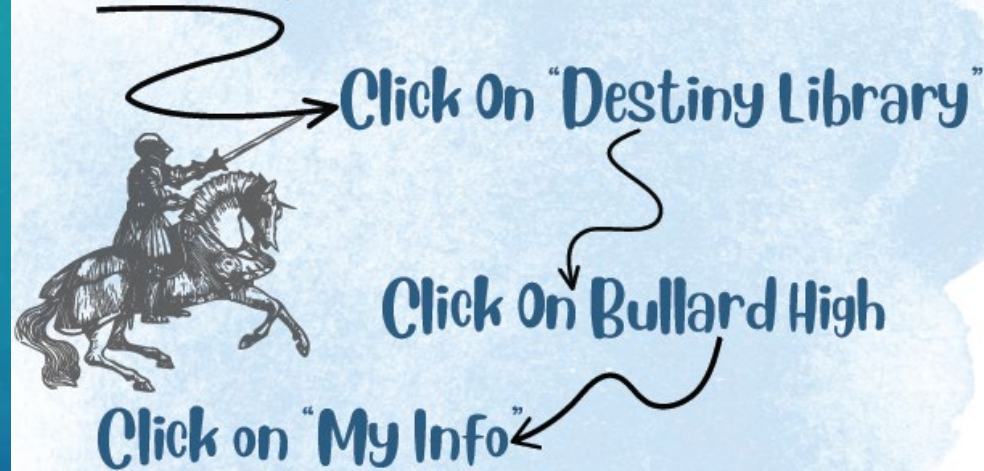

CHECKING STUDENT ACCOUNTS

Checking Your Destiny Account

Stay on Top of Your Library Account!

Students are encouraged to regularly check their Destiny accounts to see what materials are checked out and if any fines are owed. Staying informed helps avoid surprises, especially during senior year and at senior checkout time. A quick check now can save time and stress later!

Log into Clever

Current Check Outs

The screenshot shows the Destiny Library account page. The "Current Checkouts" section lists several items, including "The Hobbit" by J.R.R. Tolkien and "The Lord of the Rings: The Two Towers" by J.R.R. Tolkien. The "Past Dues Fines" section shows a balance of \$0.00.

| Item | Author | Title | Due Date | Current Status |
|---------------------------------------|----------------|---------------------------------------|------------|----------------|
| The Hobbit | J.R.R. Tolkien | The Hobbit | 10/15/2023 | Checked Out |
| The Lord of the Rings: The Two Towers | J.R.R. Tolkien | The Lord of the Rings: The Two Towers | 10/15/2023 | Checked Out |

| Item | Author | Title | Due Date | Current Status |
|---------------------------------------|----------------|---------------------------------------|------------|----------------|
| The Hobbit | J.R.R. Tolkien | The Hobbit | 10/15/2023 | Checked Out |
| The Lord of the Rings: The Two Towers | J.R.R. Tolkien | The Lord of the Rings: The Two Towers | 10/15/2023 | Checked Out |

Past Dues Fines

You will see everything currently checked out to you and what you have fines on for not returning or losing/damaging. It is important to check this often because if you have a fine for something that you feel is an error, you need to get it taken care of ASAP instead of waiting until Senior Check Out.

Student Device Fines Policy

IMPORTANT INFORMATION FOR STUDENTS AND FAMILIES

To ensure students have access to working technology, our district has a Student Device Fines Policy for lost, stolen, or damaged devices. If your child's device is lost or damaged, a fine may apply to cover the cost of replacement or repair. Fee waivers are available for families who qualify.

LOST DEVICES

- Laptop – \$100
- Laptop Charger – \$10
- Hotspot (Model T10 or Cradlepoint) – \$50

DAMAGED DEVICES

- Laptop – \$40
- Laptop Charger – \$5
- Hotspot (Model T9, T10, or Cradlepoint) – No charge

STOLEN DEVICES

- Laptop – \$100
- Laptop Charger – \$10
- Hotspot (Model T10 or Cradlepoint) – \$50
- Fine is waived if a police report is provided.

How do I pay?

Paying Fines: Fines can be paid at the time of replacement or added to the student's account. Any outstanding fines must be paid before a student leaves the district.

STUDENT DEVICE SUCCESS PLAN

What Families Need to Know

To support learning and responsible tech use, the district has added a Student Device Success Policy to the Acceptable Use Policy (AUP). This helps reduce damage, build accountability, and ensure students have a working device all year.

Why This New Policy Matters

Encourages Responsibility

Teaches students to care for valuable technology

Supports Learning

Ensures continuous access to digital resources

Supportive Approach

Designed to help, not punish, with clear steps

Lost or Stolen Devices

- All lost or stolen devices must be reported to the school immediately.
- If negligence is found, the student may lose take-home access right away.
- Students transferring or exiting the district must return all devices before leaving.

About the Device Care Refresher Module

This short online course helps students understand how to safely care for their devices. It includes videos, interactive questions, and real-world examples. Students must pass a short quiz to show understanding before continuing to use their device.

Need Help or Have Questions?

Please contact your school. We want every student to succeed with safe and responsible device use.

What Happens If a Device Is Damaged?

1st Incident – Awareness Notification

- A letter is sent home with details of the incident.
- The student must complete an online Device Care Refresher Module (15-20 minutes).
- There is no loss of take-home privileges at this time, but the incident is logged.

2nd Incident – Support & Guidance Meeting

- A meeting is scheduled with a parent/guardian and school staff.
- The student and parent/guardian sign a Device Responsibility Agreement.
- Depending on the situation, the student may temporarily lose take-home access.

3rd Incident – Device Use Becomes In-School Only

- The student loses the ability to take the device home for the rest of the school year.
- The device can only be used on campus during school hours.
- A final review meeting is held to discuss future eligibility for take-home use.

STUDENT TECHNOLOGY

This year, FUSD has implemented a new student device success plan that includes consequences for students who damage their devices. The fine structure has not changed.

Additionally, students will now need to go to a FLATS center if they are in need of a new device or to swap out a broken or slow device. We are no longer given enough to habitually swap them out on site.
